We offer two exhibition spaces:
Gallery 1 - 10 x 5 meters, and
Gallery 2 - 3.6 x 4.11 meters.
NOTE: diagrams of display spaces will be provided if EOI is successful.

What the Raillery Hub Gallery provides for its artists:

- An 8-week exhibition using one or other or both gallery spaces
- Curatorial advice and guidance to maximise audience response.
- A marketing campaign in local and social media.
- Professional assistance with the design of your poster
- Label production
- Experienced technicians to assist with hanging your show
- Staff to 'sit' your show during gallery hours 11-4 Fri, Sat, Sun.
- A gala launch with refreshments.

In lieu of a $250 exhibition fee we ask artists to donate an artwork of similar or greater value to be auctioned or raffled during show.

The Gallery handles all sales and holds sold work for collection.

Gallery commission on sold works is 25%.

Before completing an expression of interest we recommend artists first visit our gallery, inspect the spaces and talk to our friendly volunteer staff.

EOI - P2

NOTE: Upon receiving an EOI the gallery curator may request a visit to an artist's studio to inspect work prior to making a decision on if it is a good fit with St. Arnaud Raillery Hub's vision and standards.

What the Raillery Hub Gallery requires from prospective exhibitors:

1. **A 400 word max resume* that includes:**
   - name, phone number, contact details and website link,
   - education, training, awards relevant to current art practice,
   - previous exhibition experience, including solo and/or group shows,
   - an outline of the nature/theme/focus of current work and
   - medium/s, techniques, processes currently being explored.

2. **5 - 8 high quality, well lit and focused JPEGs of work identical or similar to that which you wish to exhibit.**

3. **An indication of preferred timing for your show.**
   While every effort is made to accommodate an artist's needs, be aware that shows are booked up to a year ahead and the scheduling of exhibitions is determined by the gallery curator.

If two or more artists are associated with this EOI:

1. each must complete #1 and #2 above.
2. One artist is designated the group contact person

If your EOI is successful you will then be contacted by the curator to arrange a visit to view the work you wish to show. You will receive a packet of information that will include proposed dates for your show, your Artist's Contract which details your obligations plus schematics of the two exhibitions spaces.

Formatting tips

- consistency: use one simple 12 pt font
- use white space to separate sections
- use same font in bold for headers
- use dot points to simplify and clarify
- list most recent accomplishments first in each section.
- one page best, but no more than two.

Last and importantly:

- export file as a PDF to ensure formatting remains consistent.
